# ISWA REMINDERS

## The following are some reminders of ISWA policies

- **Beginning in the 2016-2017 wrestling season, all coaches wishing to gain access to be matside during any of the ISWA State Events will be required to hold BOTH a USA Wrestling Coaches membership card and a Copper level or above Certification.**
- All ISWA sanctioned tournaments are required to hold weigh-ins. The safety of the athletes is of the utmost importance. To ensure that each athlete is wrestling someone of the like size, athletes need to weigh in. There are many different ways to hold weigh ins: on-site, off site (or satellite), and faxed weigh-ins. This is a very important part of wrestling and is part of the rules of sanctioned events set forth by the ISWA.
- **Freestyle State Finals Qualification-** It is required by the ISWA that all athletes wishing to compete in the Indiana Freestyle State Finals qualify for the event by competing in 2 local Freestyle tournaments with in the state of Indiana. To qualify a wrestler must participate in the tournament by wrestling, simply registering for a tournament will not count as a qualifying tournament.
- Anyone attending a Copper Coaches Clinic will be required to hold a USA Wrestling Coaches membership card (this has always been required for Bronze courses) Purchasing this card requires a background check, so please be sure to have this taken care of plenty of time before the Clinic to ensure the background check has processed (this may take up to 2 weeks).
- There are new weight classes for the Women's Cadet and Junior age division
  - Junior: 100, 106, 112, 117, 122, 127, 132, 138, 144 ,152, 164, 180, 200, 225
  - Cadet: 94, 100, 106, 112, 117, 122, 127, 132, 138, 144, 152, 164, 180, 200

We would like to thank everyone who helped in pairings during 2016 at all of the local tournaments throughout the state and at all of ISWA's state tournaments. Successful tournaments are due to our many volunteers.

It has been extremely rewarding to see the growth of our State tournaments each year and to be able to use the Trackwrestling computer system. This year we expanded the training of our pairers to include, a more in depth knowledge of the computer system. The pairing staff throughout the State continues to grow and expand their knowledge in every aspect of wrestling.

It is the goal of the Pairing Developmental Director to increase the number of pairers we have throughout the State and to also ensure education opportunities for each one of them. They are dedicated to the sport of wrestling and improving each tournament they attend. Our advanced pairers have also been trained on the high school events.

We encourage all Clubs to train their people in pairings. Should you want to have a private clinic for your Club, we do offer this also. If interested, please contact your section pairing official or one of our Paring Directors.

Again, THANK YOU to everyone who, each year, graciously volunteers their time and efforts in helping all of our tournaments run as successful as possible. I'd like to encourage everyone to continue to volunteer and to reach out to bring new volunteers in to help. We have a vast amount of positions to fill in making our tournaments run smoothly.

The Folkstyle Section Referees listed above are provided as a regional resource for member clubs as a contact for questions and concerns. In addition, they will assist clubs in conducting rules clinics and in finding head officials for local tournaments. They also staff the ISWA Folkstyle State Finals. It is the Director's responsibility to recruit Section Referees, assure that each State Final event is adequately staffed with competent officials as well as to recruit and develop the state-wide pool of Folkstyle Referees.

## State Finals

The 2017 Folkstyle State Finals will be held in one combined weekend this season:

March 11-12 PeeWee- Veteran @ Warren Central High School

Once again the ISWA will contract with and pay IHSAA licensed officials at both Folkstyle State Final events in an effort to produce the highest quality event and environment for the kids.

Two points of emphasis continue to be given extra attention, once again, this season.

**1.) Sportsmanship** – Unsportsmanlike conduct and flagrant misconduct is unacceptable and should/will not be tolerated. Any such inappropriate or egregious incidents should be reported to the ISWA office for monitoring and follow-up if needed.

**2.) Club Folkstyle Officials** – Each club is expected to have listed and on file with the ISWA office a Folkstyle Official (preferably IHSAA licensed) representing their club. If assistance is needed in achieving this goal, please, contact your Section Folkstyle Referee. Any one official may represent multiple clubs.

*Congratulations to*

## USA Wrestling Competitor's Membership

All memberships will continue to be purchased online through USA Wrestling's membership site at [usawmembership.com](http://usawmembership.com). The fee is \$40.00 and credit cards only will be accepted. To purchase your card, please visit [iswa.com](http://iswa.com) and click [Get your wrestling card](#).

A user ID and password are required for all previous members. The USER ID is your wrestling card number from last year. This number will not change from year to year. All previous members have a password assigned by USA Wrestling, if you do not know your password please call or email the ISWA office.

### Birth Verification is required for NEW MEMBERS ONLY!

New members will need to verify their date of birth by submitting a copy of their birth certificate to the ISWA office. Once the office receives proof of birth your card will no longer show pending in the system.

**Note:** Wrestlers born 9/1/1997 or before are considered Adults and must purchase an Open License Membership card at a cost of \$50.

USA Wrestling, the National Governing Body for Wrestling in the United States, has delegated the Indiana State Wrestling Association the right, duty and responsibility to develop, conduct, sanction and promote all state and local programs in the state of Indiana.

The ISWA will provide a program for all age divisions (Pee-Wee/Veteran). Membership and insurance for all wrestlers and clubs will be provided through the state association by USA Wrestling. All wrestlers will receive a USAW Competitor's Membership Card. This affords our wrestlers the opportunity to participate in all ISWA scheduled tournaments and events.

In addition, a USAW membership card is honored at all USA Wrestling events throughout the US.

### All members are entitled to Secondary Sports Accident Insurance

This policy is an excess or **secondary** coverage policy. "Secondary" means that if the injured member has other insurance, that insurance is automatically "primary" and they must pay the incurred costs first. In order to be eligible for any secondary sports accident insurance benefits, you must have followed all requirements and conditions under your primary carrier including any "in-network" requirements.

USA Wrestling sports accident insurance will pay benefits up to the policy limits after the deductible has been paid and the 80-20 co-insurance condition has been met (see below). If the injured member has no other insurance, the USA Wrestling secondary sports accident insurance applies, with the same coverage amount and deductible described below. All valid claims **must** first be filed with the injured's primary insurance company regardless of the type of claim. **In order for benefits to apply the injured party must receive medical treatment within 90 days from date of injury.** All claims, and subsequent benefits, if any, are subject to verification by USA Wrestling's National Headquarters of each membership benefits. No benefits will be extended under the secondary coverage, if you do not follow any and all requirements of your primary including any and all "in-network" requirements.

### Deductible

This policy includes a \$500 deductible per injury. Each membership period, in terms of the deductible, begins September 1 until September 1 of the next year.

### Co-Insurance Limits

This policy has the following co-insurance conditions: Plan pays 80% and injured party pays 20% per valid claims, after the \$500 deductible. Once the member has met the \$500 deductible, and has paid an additional \$2,000 out of his/her own pocket (which does not include the \$500 deductible) in a Benefit period, which runs from September 1 to September 1 of the next year, plan pays 100%.

## USA Wrestling Club Membership

You may join or renew your club membership on-line. Go to: [www.iswa.com](http://www.iswa.com) and select **Leaders**

> **Club Charter On-Line** at the top of the home page. An application can also be downloaded by selecting Clubs located under the Membership button on the home page. If you choose you may mail your application and fee to ISWA, P.O. Box 157, Beech Grove IN 46107. Please make checks payable to ISWA.

USA Wrestling has acquired COMMERCIAL GENERAL LIABILITY INSURANCE/UMBRELLA LIABILITY POLICY, which provides coverage for USA Wrestling chartered clubs. The combined liability

limit for these policies is \$5,000,000 per occurrence. All clubs will receive a General Liability Certificate of Insurance. This proves that your club has insurance and states coverage limits. Many facility owners/operators will ask for this proof as a condition of you using the facility.

The owner/operator of a facility may also ask to be listed as a Certificate Holder on a Certificate of Insurance. This gives the owner/operator proof that you have insurance and states that they will be notified of any changes. You can also submit an application to name an Additional Insured. Additional insured entities are extended the same coverage as the chartered club. Schools, school districts, and facility owners/operators often ask to be an additional insured.

# WE NEED VOLUNTEERS!!!

## **Congratulations to our 2016 ISWA Volunteers of the Year**

### **Sabrina, Nicole, and Jennifer Pedroza**

In order to provide quality state tournaments we need adult volunteers to help work scoring tables at all 2017 ISWA State events.

The ISWA encourages clubs to recruit 8-10 volunteers to work tables at state events. This allows volunteers to rotate in and out during the course of the day and the table to run smoothly. Any team sending a crew to work a scoring table for the duration of the event will be awarded 12 team points to their total for the team competition.

State Finals workers will receive an ISWA T-shirt, as well as food and drinks during their shifts.

If your club is interested in volunteering to work one or more ISWA State Finals event please call, text or email:

It is widely known that training in the Olympic styles make you a better Folkstyle wrestler. Most, if not all, of the top wrestlers, coaches, and programs in the country at every level know and enforce this. They don't train in all three styles because they *are* good, they train in all three styles to BE GOOD! Although Indiana has had national success in Folkstyle, we could achieve even more on the national level if we had more opportunities to train all three styles.

If we are truly dedicated to getting better in our sport, one must understand the wrestling season does not just end in February. It continues on through July, culminating with the Asics/Vaughan Cadet & Junior National Championship in Fargo, ND. This tournament is the largest amateur wrestling tournament in the world, featuring the country's best-of-the-best competition, and is the single largest recruiting event in the nation with college coaches from every division and every corner of the United States.

Indiana's success at this tournament sets the tone for the scholastic season both locally and nationally, and is the primary measuring stick for Indiana wrestlers in comparison to the rest of the country. There are also many other national tournaments leading up to this event including both the Cadet and Junior National Duals, USAW Regional Tournaments, etc. that are available for Indiana wrestlers to participate in.

Indiana's success on this national stage is the focus of our RTCs. They will primarily be designed, not just as a place where local athletes can train together in the international styles, but where we are preparing for this national stage with higher expectations. We are confident these additions, coupled with the direct guidance of USAW and the US World Team Staff, will put us on course to solidify ourselves as one of the top states in the country.

Athletes looking to continue their growth in wrestling, are aspiring to contend for Team Indiana or compete at the higher levels, including on the national stage and in college, are all urged to attend as many RTCs as possible.

The updated 2017 Regional Training Center schedule will be available on the ISWA website by February 1, 2017. For more information on the Regional Training Centers please contact the ISWA office at [iswa@sbcglobal.net](mailto:iswa@sbcglobal.net) or Nick Hull, RTC Director, at [coachnhull@gmail.com](mailto:coachnhull@gmail.com).

## 2016 USAW CADET NATIONAL DUALS

For the 2<sup>nd</sup> straight year, Indiana had the pleasure of sending a great group of cadets out to York, PA to compete in the 2016 USAW Cadet National Duals. Indiana was tested all week long as we were able to battle some of the best teams in the country.

Team Indiana kicked off the week in the Greco competition by taking on Team Kansas. Indiana would drop that bout, but rebound with a big win over Ohio Blue, 44-25. Team Indiana would drop their next two bouts to finish 6<sup>th</sup> in the pool and sending them to the next day of competition to compete in the Red/Blue Pool. On day 2 of the Greco Duals Indiana would drop close matches to Virginia 41-38, and Pennsylvania

Red 42-31. Indiana would finish strong as they would win their final two duals of the tournament to claim 21<sup>st</sup> place. Indiana knocked off Michigan Blue 42-23 and Kansas Red 44-21. Having stellar performances in the Greco tournament for Team Indiana were Alex Cottey (88/94) and Lucas Davison (182). Both wrestlers went undefeated during the tournament going 7-0 and 8-0 respectively. Carson Willis (126) and Zach Fattore (170) both had great showings going 7-1 throughout the tournament.

Indiana would then shift their attention to Freestyle following the Greco tournament. Team Indiana would go 1-3 in the pool with a win over Missouri 41-25 and losses coming to New Jersey Red, Ohio Red, and Maryland to start the tournament. This would once again send Indiana into the Red/Blue pool the following day. In the Red/Blue pool Indiana started the day off with a tough 42-34 loss to Iowa before winning their last three duals of the tournament. Indiana rattled off wins against Pennsylvania Red 37-30, Tennessee 47-23, and Utah 40-39 to claim 19<sup>th</sup> place in freestyle. Alex Cottey (88/94) and Lucas Davison (182) went undefeated during the tournament going 8-0. Other wrestlers with great performances during the freestyle tournament included Tristan Sellmer (138) and Zach Fattore (170). Tristan and Zach each went 7-1 during the tournament.

Special congratulations go out to Alex Cottey (88/94) and Lucas Davison (182) on being named to the All-Tournament team in both Greco and Freestyle. Alex went 15-0 while Lucas went 16-0 in York. Other members of Team Indiana Included, Danny Tolin (100), Jacob Moran (106), Devon Casebolt (106), Gabe Smith (113), Alec Viduya (113), Matt Lee (120), Carson Willis (126), Jesus Mancera (132), Tristan Sellmer (138), Oszkar Kasch (160), Zach Fattore (170), Eli Pokorney (195), and Kyle Cornwell (220).

I would like to thank Josh Curry and Keith Davison for coaching these dedicated wrestlers all week. We had a great time with this team and we are proud of how well they represented Indiana. I would also like to thank everyone who came out and supported Indiana out in Pennsylvania.

Thank you,

Thomas Pompei

## 2016 Junior National Dual Championship

### Indiana Recap

Nick Hull – Team Leader

coachnhull@gmail.com

**Team Indiana placed 23<sup>rd</sup> out of 29 teams in Greco-Roman, while in Freestyle Indiana Gold placed 22<sup>nd</sup> out of 39 teams and Indiana Blue placed 38th. The following information are notable areas of this event in relation to Team Indiana and the 2016 USAW Junior National Dual Championships.**

**This was the first time Indiana took two teams in many years.** Granted, it wasn't filled and our best weren't there, but being able to even ENTER two teams is a big step in the right direction for Indiana. Georgia was our equivalent this year regarding teams and numbers. We did have one 7 man team, where 8 was the requirement, and that was a special privilege they gave to us because we had some guys get injured who couldn't compete before weigh-ins. They also, similar to some other national duals this year, created a pool for some of the smaller teams to get additional matches so it worked out for everyone. We had the choice to put everyone on one team, but then there would have been several weights with too many guys and kids would have walked away with only a couple of matches, so I just kept the second team. On the other hand, if our best guys were there, or even more guys were there, or even the guys who committed that backed out (valid or invalid) were there, this would not have been an issue. Still, taking two teams is a step in the right direction for Indiana for sure.

**Ohio beats Illinois in the Freestyle Finals.** This was bittersweet to us personally. Sweet because Ohio won and we believe our best top to bottom can roll with Ohio. Bitter because here we are at the national dual tournament and our neighboring states were in the finals facing each other, and good ol' Indiana stuck right in the middle was not even close. Major difference? A loaded question, but the simple answer is the vast majority of their best kids came. Ohio beat New Jersey, who were loaded themselves, in the semi-finals in a last match nail-biter and were able to get on an early roll over Illinois in the finals. Illinois was missing a few studs and it showed, but still handled their business as usual. Having these teams in the finals only emboldened our Indiana wrestlers even more to come back and roll harder. They took it a little personal....as they should.

**Indiana Greco.** The same thing holds true in Freestyle, but it is more prominent in Greco: forfeits kill us. We aren't well versed in Greco as a state (problem) but with a full line-up we would have surely done better than 23<sup>rd</sup>. Still, we had less forfeits than past years and our finish showed as we placed higher than in past years. One year not too long ago we placed 32 out of 33 in Greco. Several guys stepped up to get into the greco line-up, some guys even bumping up, primarily for the 4 pound allowance and because we needed it. The guys that didn't get in on the greco wish they would have because it looked fun, for the allowance, and because the alternates made it less of a grind.

Yes, we were lacking fundamental Greco basics which needs to be addressed as a state, but simply filling a full greco team next year is first and foremost.

**Indiana Freestyle.** If we had all of Indiana's best guys we genuinely would have had a shot to win it, or at least All-American, but we didn't so we had to play the hand we are dealt. On a positive note, every kid who went wrestled their hardest and wrestled tough. Every wrestler who went learned what they need to do to get better. It is easy to keep doing the same thing when you're winning conference titles in Indiana, but when we get exposed against the best of the best in the country it definitely humbles the best of us. Technically, we still can't stop a gut consistently, aren't on the level for consistent 4 point moves, or able to gut ourselves, we still mostly shoot with our head

down and stop (folkstyle), along with several other issues Folkstyle does not penalize us for - but being able to point out these habits to our kids will benefit them greatly as they make the adjustments and will be that much stronger for the H.S. season. Next year we will look to fill, at least the first team (starting with Indiana wrestlers who have separation criteria) by the time of the 2017 IHSAA State Tournament in February. Alternates to that team will come after the State tournament and we will use the ISWA State Tournament to fill the second team and finish filling the Greco Team.

**Alternates are necessary.** Some coaches, parents and kids questioned in the past why we would take alternates but again, if anyone saw every match, let alone be in the atmosphere, this tournament is a GRIND!!! It's tough enough to go lose once or twice being suplexed on your head, but losing time and time again, and STILL having to go out there expected to perform at a maximum level is extremely challenging for most of our kids physically and mentally. Alternates help us stay fresh, healthy and safe, which is necessary because of the truly high-quality competition and overall length of this tournament. Again, going greco and freestyle for 4 days straight against this level is something the majority of Indiana kids aren't used to.

**Coaching Staff.** Shout out to Coach Bradley (Marian University), Travis Pascoe (Indiana University), Ben Wissel (Duke University) and Coach Myers (Hamilton Heights) for investing in this team. Having them on the staff helps the kids not only get more exposure to college coaches, but when they are all saying a lot of the same thing in regards to what we need to do to better perform against this level of competition, it rings a little bit louder in the kid's ears. My goal is to keep this same group together at least for another year or two, and possibly bring in a few more elite level coaches to help fill the team, push the privilege, and sell the exposure of this event for our kids.

On another note, I spoke with and interviewed Andrew Howe, who helped coach Illinois, along with several other coaches I know/saw from Michigan, Oklahoma, Oklahoma State, Purdue, Minnesota, etc. and about a dozen D2, D3, NAIA and Juco programs about their thoughts of Indiana. BIG shout out to Coach Tom Erikson too who came to support. This legend in USAW and Oklahoma for that matter, was the previous Team Leader before spearheading Lyon University, came and sat at almost every single dual to watch and support our kids. I find this significant because he could have been wandering around recruiting like the other college coaches who weren't currently coaching a state team, but instead chose continue his support of Indiana - essentially in his home state! That's love...as well as the #22pushupchallenge he did with the team was pretty cool.

**Parents. Parents. Parents.** Awesome, without a doubt, and absolutely necessary. The Brady's came out and even bought a cooler and stocked it with supplies, food, drinks, etc. Coach Bane of Richmond came out and supported Alston and the rest of the team, which was great to have his presence and even demeanor out there. Indiana native stud Alex Warren made the trip to support Christian and the team as well, which was cool as he wrestled at this event in the past. Mama Mappes, bless her heart, was the sweetest thing and rooted on all the boys. The Barclay's were off in the cut too and having them there only helped further strengthen our presence. I realized that if we are going to do this, better organization and preparation on my side is going to be needed with the parents. I realized it too late but if a parent volunteered (work the camera or clock for the team) then they could get in free. Their help was never needed so they got the chance to basically get in free. But after tasting this parental support this year, it isn't going anywhere and is only going to amp up.

**Great Team Experience.** These guys were silly. From the knuckleheads to the silent assassins, it's always fun getting guys together from across the state, different regions, schools, personalities, etc. The interaction between successes is invaluable. The more successful kids directly and indirectly raise the expectations of the newer kids who haven't necessarily had that success, and this just feeds the cycle of building the culture and ultimately Indiana's success and reputation. The higher Indiana's success and reputation at this level, the more colleges will recruit Indiana kids. This trip with Indiana's "best" has just as much team camaraderie as any other trip and it is also a big component for Indiana's culture. It was stated earlier about Indiana's best kids pulling the other best kids to help fill this team, and they are absolutely correct. Only having a few seniors was tough but it allowed our Juniors and younger guys (many of which will be among Indiana's top guys next year) to bond, take this event personal, and amp up to spread the word and come back next year with a vengeance.

**Venue.** From our understanding, this tournament may be up for bid? We heard something about a two year-cycle. Wouldn't it be awesome if the USAW Junior National Dual Championships were held here in Indiana? I think about how much easier it would be to get Indiana's best from a quality, quantity and financial standpoint, give Indiana fans, coaches and wrestlers a chance to see this level up close and personal, more top flight coaches stepping on Indiana soil, etc. There are a lot of possibilities. On the other hand, the Schoolboys are here and I think we had forfeits on that team as well? It would take a lot of work to pull this off and that is a major commitment for the ISWA, although it could be done. Either way, the location could ultimately affect the cost of this trip for us and possibly who and how many we take. Oklahoma gets it mostly because they want it and prepared to do it, from multiple cities inside the state, but there are some other states who will end up bidding for it.

**Team Leader.** I am personally looking to lock guys in by IHSA state for the Gold Team, push more kids to train F/G and participate at Freestyle State for the Blue Team, utilizing more recruiting avenues, providing better training opportunities throughout the summer with the RTCs, getting team sponsors to make it cheaper for kids, working closer with coaches to fill the team, being a little stricter with the selection process, etc. These are just a few of the things I will take a look at to have a better showing out here. Although I don't think we could do it, but I wouldn't even be opposed to giving the guys who made this trip first right of refusal for next year's team just to insure this year becomes at least par. Either way, it should take a collective effort. Trust, however, that in no way are we satisfied with these results even remotely. The kids who went are not either. We will make the proper adjustments and come back bigger and better next year. Given the opportunity, my ultimate goal is to help Indiana win the Team National Championship and/or all-American three years in a row.

**Conclusion.** In Freestyle, Indiana Gold placed 22nd and Indiana Blue placed 38th out of 39 teams. Indiana Greco placed 23rd out of 34 teams. We have several wrestlers who made the All-Dual Team and even more who beat some national ranked guys, multiple time state champions, etc. It was fun and every single person got better. Still, we need to get all of our best guys. We need to get more guys on the team. It needs to be cheaper. We need to be better prepared. Those 4 areas ultimately requires a culture shift for the state as a whole, as an organization, as coaches, parents, individual wrestlers, and getting outside of one's comfort zone is never easy. But, then again, nothing epic ever happens in the comfort zone. Regardless, Indiana should be proud of these boys.

## 2016 Fargo Cadet Freestyle & Greco National Team

2016 was another successful year for the Cadet National Team in Fargo. We had a total of 35 wrestlers compete in Freestyle and Greco. Although our Cadets earned a 30<sup>th</sup> place finish out of 45 teams in Greco, we did have one All American, **Lucas Davison** at 182 lbs. Lucas won 5 matches to earn a 5<sup>th</sup> place finish and 17 other Cadets accumulated another 24 head to head wins in the Greco tournament.

The Cadet Freestyle team came away with a 15<sup>th</sup> place finish out of 48 teams. We were carried by 3 All-Americans; **Lucas Davison** (5-1) NATIONAL RUNNER UP at 182 lbs, **Eli Pokorney** (4-2) 4<sup>th</sup> at 195 lbs and **Kyle Cornwell** (3-3) 8<sup>th</sup> at 220 lbs. 32 other Cadets came away with 58 more head to head wins in the Freestyle tournament. Kameron Fuller came away with 6 of those wins in the tournament. Jacob Moran, Tylor Triana, and Tristian Sellmer had 4 wins in their bracket. Matt Lee, Camden Chatterton, Levi Miller, Curtis Collins, and Oscar Kasch had 3 wins. Alex Cottey, Danny Tolin, Devon Casebolt, Asa Garcia, Zach Melloh, Jack Eitlejorge, Danny Acevedo, Jaden Sonner, and Tate Johnson earned at least 2 wins in the Freestyle tournament.

Our Women's National Freestyle team only had one competitor, but she was a good one. **Alara Boyd** won 4 straight matches in her bracket to earn a spot in the finals and NATIONAL RUNNER-UP honors at 132 lbs.

## 2016 Fargo Junior Freestyle & Greco National Team

30 wrestlers represented Team Indiana this year at the Junior Freestyle/Greco National Championships. Team IN ended the Greco tournament with 1 All-American. Andrew Davison earned a 7<sup>th</sup> place finish in Greco. Other wrestlers winning matches included Luke Smith (3-2), Carson Somerville (2-2), and Noah Cressell (2-2). Our Juniors bounced back with a 13<sup>th</sup> place finish out of 46 teams in Freestyle. We had 2 All-Americans and 1 National Champion. We also had several other wrestlers win multiple matches during the Freestyle tournament.

Highlighting Team Indiana's performance was **Nick Lee**. Nick went 7-0 with 6 tech falls on his way to winning a **National Freestyle Championship** at Junior 138. Nick had arguably the toughest weight class at the tournament. Joining Lee as a Junior Freestyle All-American was **Paul Konrath** by earning National Runner-Up (5-1) – 126 lbs and **Andrew Davison** (5-2) – 195 lbs placing 7<sup>th</sup>.

The other wrestlers who competed well for the IN Junior Team were: Carter Noehre (2-2), Dylan Culp (2-2), Jack Tolin (2-2), Brendan Black (5-2), Joe Lee (4-2), Noah Warren (2-2), Diego Lemley (4-2), Gleason Mappes (3-2), Noah Cressell (2-2), Jacob Gray (5-2), Jacob Rhoades (2-2), and Evan Ellis (2-2).

We also had 3 women compete in the Jr. Women's National Championships. Highlighting the Jr Women was **Alara Boyd** by finishing 6-2 and placing 4<sup>th</sup>. The other women were Selina Brown who finished 3-2 and Mara Eason who finished 1-2.

We would like to thank our entire coaching staff for doing such a great job working with and coaching these athletes. These guys gave up over 10 days of their lives to help out Indiana wrestling. Special thanks go out to Keith Davison, Mike Runyon, Matt Schoettle, Matt Krulik, Blake Maurer, Camden Eppert, Angel Escobedo Nick Hull, Danny Struck, Doug Welch, Wade McClurgas well as JD Minch. Team Leaders for the trip were Brady Eppert (Juniors) and Jake O'neill (Cadets).

Let's build off of this year's success and make 2017 the best year yet! #TeamIN
