Thanks for choosing JD Hockey!

I realize there may be an occasional conflict with your association hockey. If you are unable to attend, please let me know ahead of time, and not at the last minute. I will find a sub for you. Usually you are able to make up a missed game during one of your bye weeks.

Parents: please stay away from the player's bench during the ice time. Remember this is a *no checking* program. Any players deliberately checking will be sent home for the night.

Goalies: This program really suffers if you miss. Please let me know about conflicts asap.
