#### **Old Business**

# **SBAA Building**

Looking for equipment storage for once we are out of the building Climate controlled would be ideal but more expensive. What about having the ability to have a place to be able to hand out equipment once the season starts

Some logistics yet to be figured out
Walk in registration
Pictures
Coaches Meetings / Equipment Handout

#### **Bat Standards**

MBT has changed their bat standards, MYAS decided not to follow. We will follow the bat standards based on who's tournaments we have qualifiers for.

#### **Fields**

Per our request the city has started improvements on Twin Birch and Patricia

New fields at East Bethel will not be ready for 2018 season

# **New Business**

Corryn to send flyers to go back to schools for registration - just do younger ages
