It is right around the corner... right?

The weather lately has me wondering a number of things. Starting with why do I live here? How deep is the frost going to get? And will my daughter's car start? One thing that I do know is that the season is right around the corner...right?

Lakeville North Baseball will provide program information through this newsletter to help you to "think spring" every once and awhile. Some of the information is more time sensitive than others but all is provided so that you can be informed. If you ever have questions please let Coach Market know. If you're thinking if someone else probably is too and we will get you the answers needed.

Fundraising Opportunities For 2017-18

The Lakeville North Baseball Booster Club, is a sub component of the Lakeville North All Sports Booster Club. Its primary role is to provide financial support for the baseball program.

While participation and involvement is not required each player/family is encouraged to support the efforts to maintain a high quality program.

A number of fundraising efforts are organized to generate funds to support these areas.

Goal

The booster club is seeking a \$250 contribution from each baseball family. This goal can be achieved using the fundraisers provided.
