3. Upon completion of the spring season, all teams' standings will be determined by the amount of points they have accumulated over the course of the season.

1st Place – The team with the most cumulative points for the season

2nd Place – The team with the second most cumulative points for the season

3rd Place – The team with the third most cumulative points for the season.

Ties – In the case of teams tied for 1st, 2nd, or 3rd place in the standings, the team with a greater goal differential shall be placed higher. The goal differential is defined as the difference between goals scored during the season and goals allowed during the season. The maximum goal differential for any one game is 7 goals. For example, if the score of a game is 8 goals to 1 goal, the goal differential is 7 goals. If the score of a game is 12 goals to 1 goal, the goal differential is also 7 goals.

All other teams will be ranked according to their cumulative points. 1st, 2nd, and 3rd place trophies will be awarded for the teams with the point's standings for 1st, 2nd, and 3rd place, all other teams will receive participant trophies.
