

Rhode Island Hockey

Hello Rhode Island Hockey,

We are excited to announce a new opportunity for you to display your love for hockey for all to see. We will be partnering with the Boston Bruins Foundation on the Rhode Island Boston Bruins Foundation charity license plate program. These RI DMV license plates will allow you to let everyone know you love the Bruins and hockey while supporting the Foundation and RI Hockey.

The Boston Bruins Foundation is a 501(c)(3) non-profit organization that assists charitable organizations that demonstrate a commitment to enhancing the quality of life for children and their families throughout New England. With your support through the license plate program, the Foundation will include RI Hockey in that group. Funds received by RI Hockey through this partnership will allow us to offer affordable opportunities to boys and girls throughout the state to try hockey and develop the same passion for our great sport that you have!

Check out this short message from current Boston Bruin, Providence College National Champion, and Rhode Island native Noel Acciari, [watch video](#).

Please consider participating and showing off your tremendous hockey spirit, [Apply Now!](#)
