

TVIHA Required Equipment for All Players

A) Players: HECC approved helmet (full face protection including chin cup), elbow pads, hockey gloves, shin guards, cup for males and pelvic protector for females, inline hockey pants, hockey skates (no brakes), hockey sticks without cracks or splinters, and a minimum 2" blade width

Not required, but recommended for safety: in-line hockey girdle, mouth guard (not clear), hockey shoulder pads or inline padded hockey shirt.

B) Goalies: All of the above plus throat guard, girdle, chest protector, and goalie pads (leg pads, catcher and blocker)

C) Coaches: All coaches shall wear a helmet during games/practices when wearing skates. All coaches 14 years of age and under shall also abide by this rule when coaching on the bench during games, by wearing a helmet with a full face cage.
