Dear Sponsor,

Thank you for your interest in being a sponsor for the upcoming 2023 UPSL women's soccer season. The Texas Spurs have a long history of a women's soccer program. They have participated in a high level league since 2015 and have seen many players go on to play collegiate, professionally, and in all different parts of the world. This upcoming 2023 year's team goal is to continue to build on their foundation as they take on a new league, the UPSL, and look to find success on the field as well as off the field through being role models to the youth program within the club.
