

Potential NH East Coach,

Let me begin by thanking you for your interest in coaching hockey for the NH East Youth Hockey Association! Our organization has a long and rich tradition with hockey in the Seacoast area of New Hampshire. In large measure that is due to dedicated people like you who selflessly give of their time to bring this great game to the young men and women of our community.

Whether this is your first year wanting to coach or you're a seasoned veteran, everyone who is interested in a coaching position for the 2019-2020 season must complete and return our coaching application as soon as possible, positions will be filled as qualified applicants are found. Please make sure to fill out the application in its entirety. Our first and foremost goal is to match each coach with the team that can best utilize his or her experience.

We are excited this year as the upcoming tryouts approach. NH East has grown by leaps and bounds this past year and we have had success at all levels. We will provide you with guidelines in all aspects of running a team, not just ideas for practice drills. We are also very excited about the success of our goalie training program instituted two seasons ago and our skills component started this year.

After you submit your application, you will get an e-mail acknowledging receipt of your application. In the meantime, if you have any questions, please email them to cameron.stoddard6@gmail.com

Thanks again for your interest in making NH East a great place to play hockey!

Sincerely,

**Cam Stoddard,
Interim Director of Hockey
