This is a special election for the 2017/2018 Fond du Lac Soccer Board of Directors, in which we have 10 available spots. This is not the annual meeting, which is held in September, so there will not be an overview of the program, an open forum, or any other business conducted besides the election. I will read to everyone the slate of candidates that have submitted an application for candidacy to be on the board, we will open up nominations, and after those are closed each candidate will have the opportunity to address the audience for 1 minute. After those are complete, votes will be collected, and counted by representatives from the Wisconsin Youth Soccer Association.
