

**Juniors Volleyball Club** is fortunate to receive your consideration of Sponsorship. Each year, our program relies in part on external support to bring our Club's Mission, Vision, and Values to life. This Sponsorship opportunity is a unique chance to have your organization's logo on the backs of over 250 athletes in the Southeastern Wisconsin area. Our practice T-shirts are worn 4 nights per week from, approximately, 5 pm - 10 pm; the prime hours of the day for visibility and advertising. In addition, the logo you furnish will be included on our website.

The support directly benefits the athlete associated with your Sponsorship, and indirectly benefits every member of our organization. We are a 501(c)(3) exempt organization, and your donation is tax deductible. As your pledged level of support increases, the size and prominence of your organization's logo also increases.
