

## Welcome To Skaters Keep Achieving Through Education (S.K.A.T.E.)

S.K.A.T.E. is an academic recognition program designed to encourage youth hockey players to strive for excellence in the classroom. As competitors, young players set goals for themselves on the ice and in the classroom. Like the cheers they hear for goals, assists and good hustle, they respond positively to recognition and reward for their performances in the classroom.

*Student athletes must have a Grade Point Average (or equivalent) of 3.0 or above to qualify*
