Date: Feb. 6, 2018
To: District Presidents, District Administrators, Associate Members, ORA

From: Johnny Misley, Chief Executive Officer
Subject: Ontario Soccer's new 2019-2022 Strategic Plan – Survey

2018 marks the third and final year of Ontario Soccer's current three year Strategic Plan.

This year the Board of Directors of Ontario Soccer, led by the Strategic Planning Committee must commence with the preparation, planning and design of a new Strategic Plan in order to be fully operational for January 2019.

The term of the new strategic plan will be constructed to be a four year plan running from 2019 through to the end of 2022 and will align with the same term as Canada Soccer's strategic plan.

Planning for the new Strategic Plan will require input from many stakeholders of Ontario Soccer, especially Ontario Soccer's District Members, Associate Members and Ontario Recognized Academies.

We are encouraging you to participate in this planning process by providing us with your valuable input.

Please note, this is a specific survey designed for District Associations, Associate Members and ORA's. Last month, a grassroots specific survey was sent out to all Clubs in Ontario for that target audience. Please do not forward this survey contained here-in to your member Clubs. This survey is designed for your organization.
