

The Sussex-Hamilton Jr. Chargers select baseball program is excited to host the BUILDNG for the Future Fundraising Event. The monies raised from this event will support the cost of leasing and improving our year-round indoor training facility. Any remaining monies will be placed in a capital reserve fund, with the long-term goal of building our own indoor training facility within our school district.

This event will be held the evening of **Saturday, March 7, 2020** at Fairways of Woodside Golf Course in Sussex. The event is open to the public and surrounding communities. We encourage each of you to extend the invitation to your family and friends!

We are looking for a wide variety of donations for our silent auction, live auction, and hourly raffles such as:

- Sports memorabilia
- Event tickets
- Unique experiences
- Gift baskets
- Rounds of golf
- Professional services
- Weekend getaway packages
- Restaurant gift cards

All donors will be listed in the event program and will be included in numerous name mentions throughout the evening. We expect a full house and high bidding during this event.

If you have an item to donate, please contact Jessica Frahm at 414-553-4600 or Sarah Rubens at 602-312-5787, or reach out using the email addresses below. Our committee members and/or coaches of the Jr. Chargers will be available to pick up these items, if preferred. Please provide an estimated retail value for each item/service/package you contribute.
