→ New Fundraiser idea - Brock Geris (BrockG@snap-raise.com) Online Fundraising site (similar to go fund me) Players collect 20 emails to “qualify” for prizes based on donations. Players log in to snap_raise created website for our Baseball program, where Snap has create an invitation with players picture that they will send to family, friends, etc asking for donations for baseball program. The campaign runs for 28 days. On average the organization retains 70-77% of donations with average success of \$7200.
