

February 2018

Calling all Saracens and Saracen supporters!

We need you to help us #packthedome on March 17th, 2018 for a fun evening of rugby and lacrosse!

The CRU has partnered with the Roughnecks to promote rugby in Calgary, and all the local teams have been invited to come out for a fun evening with the opportunity to represent their club in front of the entire Saddledome. Through a kick-back on ticket sales we can directly support our club fundraising goals, and if we are one of the top four teams to bring the most people out, **our juniors will have the opportunity to play a game on the turf and get a special shout out on the jumbotron** in between the lacrosse action! This is an incredible opportunity to feature the sport we love and represent our club in front of a huge audience.

It's guaranteed to be a great night so invite your friends, family, colleagues, classmates, neighbours and everyone under the sun so we can show Calgary that legendary Saracen spirit and give out juniors a chance to play rugby on the big stage.
