

The Academic All-Star Program is designed to provide recognition for academic success to students who also play for the Pittsburgh Outlaws. The program's purpose is to endorse academics and provide a means to recognize student achievement at school. The guidelines are as follows:

1. Students will receive an application form to be submitted to the Outlaws staff along with a copy of their 2<sup>nd</sup> nine weeks report card.
2. The player is required to have a **cumulative G.P.A.** of at least 3.5 (on a 4.0 scale) according to the district's grading policy.
3. Upon receipt of the completed application and verification of the G.P.A., the student will be issued a certificate and patch and will have his name placed on a banner prominently displayed at C-Side Sports Academy

**All applications must be received no later than February 18th, 2018. Please turn the application into your team's manager on or before the 18th of February. To be eligible, you must turn in this application with a copy of the player's report card. Just turning in the report card will not be accepted. Emailing the application or report card will also not be accepted.**

Certificates and Academic All Star Patches will be distributed at the March 11th practice.
