

Anna Wilgren (D), Hudson Raiders

Anna Wilgren is currently the leading scorer for the Hudson Raiders and ranked fourth overall in state scoring with 31 goals and 27 assists for a total of 58 points.

This year the senior defenseman was voted captain by her teammates due to her character and passion for the game. Wilgren has been a strong leader and a positive impact on her teammates as well as a dominant player on the ice for the Raiders.

Aside from hockey, Wilgren is highly involved in school and in the community. Wilgren was a captain of the Hudson Tennis team, a member of the Hudson Track team, and a member of the Athletes Making Progress club (AMP).

While a member of AMP, Wilgren created and organized a winter clothes drive for less fortunate community members. Through Church, Anna also participates regularly at Feed my Starving Children.

Wilgren also volunteers countless hours at youth hockey practices helping develop the youth hockey association in Hudson.

While being involved in sports, clubs, and in the community, Wilgren has received academic all-conference for all three sports, was nominated for Hudson High School-Female Scholar Athlete and maintains a GPA of 4.08.

Her character, passion, and determination are noticed by those around her and make up the student-athlete she is today.
