AAHA Board of Directors - Letter of Intent

Hello, my name is Keegan Murphy and I would like to officially submit my name for a spot on the AAHA Board of Directors. My wife and I have 4 children and we have been involved with the Appleton Area Hockey Association for the past 4 years. Our oldest son is a mite and our youngest son is in the Learn to Play program, both of which I have enjoyed helping coach and develop through the game of hockey. I grew up playing hockey in Fond du Lac and have been in and around the game of hockey for over 30 years now. I am a professional Firefighter/Paramedic with the city of Appleton Fire Department and have been in the fire service for over 11 years. I currently serve on AAHA's Conduct Committee and have enjoyed being a part of this committee for the past two years. With my background in the fire/medical service and my numerous experiences working with our community, I feel I can bring many strong qualities as an active Board member.

I am extremely interested in joining the AAHA Board of Directors because I feel I can bring a new positive energy to the position and further our association's mission in youth hockey. It is my goal to continue to provide a fun and safe environment for our kids to develop both on and off the ice and to help facilitate the future growth locally of the sport we love. Thank you for your time and consideration.

Keegan Murphy
