

South St. Paul Youth Hockey Association Program Endowment through SSPEF

With the goal of making hockey affordable and accessible to all South St. Paul girls and boys, ages 5 through 15, SSPYHA has established a Program Endowment with the South St. Paul Education Foundation. Through our current SSPYHA fundraising efforts, sponsorships, and individual donors, the first two years of Mite/8U youth hockey is offered at no-charge to South St. Paul families.

Growth in our Program Endowment is needed to assure SSPYHA will have the resources available to continue offering individual scholarships to families in need and providing hockey opportunities at no cost to all SSP families. Additionally, endowment funds are used to support the SSPYHA Beginning Hockey Class which is offered to the community at no charge to all participants.

Please consider making a contribution to the SSPYH Program Endowment.

To help keep youth hockey accessible and affordable in South St. Paul, here is my commitment to the South St. Paul Youth Hockey Association Program Endowment via SSPEF:
