

To whom it may concern:

I want to inform you of my interest in serving on the Becker/Big Lake Youth Hockey Association Board. For the past three years my child has participated in the association, and I'd like to do whatever I can to help make our association a place of acceptance, growth and enjoyment for all kids participating in hockey in Becker and Big Lake.

My love for hockey began at a young age, joining my local hockey association as a three-year-old. For the next 17 years I continued to play organized hockey, and have shared that passion with my own children, as well as those I've coached for the past two seasons. As a BBLHYH board member I will do my best to lead by example, and make decisions that place our association in a position for growth – offering every kid a safe environment to learn the game of hockey.

I appreciate the opportunity to serve the organization in this capacity.

Best regards,

Brady Borkoski
