

To Whom It May Concern:

I am writing this letter to express my interest in joining the Becker Big Lake Hockey Board.

I have been a member of the BBLYHA association for the last eight years. During that time period I have watched all three of my kids have a positive experience in the program. I currently have two kids playing hockey (a PeeWee & a Mite). This year I was a coach at the mite level and prior to that I served on the BBL Ice Board for a three-year term. Over the last 8 years I have developed a passion for Becker Big Lake Hockey and I look forward to putting this energy into working on the board.

As a BBLYHA board member I would continue to help develop hockey in the Becker and Big Lake communities. I would also be committed to making sure every hockey player at every level has a positive experience in our association. I am willing and prepared to put in tremendous effort and help make decisions based on what is best for the program.

Thanks
