

# AH/FSH Spring Soccer Photo Schedule

## Saturday, March 24th

There will be 3 photographers with assistants and a customer service table to collect your orders. Exact cash is appreciated. Check and credit card are also accepted as payment for your photos. Please bring your orders to the customer service table. The players and coaches should proceed to an open photographer. **Coach: Please bring a soccer ball the appropriate size for your players.** It is a faster process for us to take everyone's photo rather than try to figure who may or may not have ordered. We will match our shoot list to the orders received. We will work expediently to get your session complete so you can proceed to your field of play. Please refer the website with further instruction and suggestions for a smooth league photo day!
