

CYFA March Board Meeting – 3/18/18

Attendance: Dave Dexter, Rick Wagner, Mike Mock, Laurie Wold, Brad Sanders, Chris Clauson, Jeff Johnson

Notes:

- We'd like to order 18 tackle wheels; 9 – 28" Wheels and 9 – 36" Wheels
 - There were some additional discounts and the total is now \$3,582; the boosters will still cover half the cost, and potentially up to \$2,000. Also, if we get the order in now, we will get free shipping. **A vote will be done via email.**
- Rick had a sample of the reversible jersey discussed at the prior meeting; pricing is about \$55/ jersey.
- CYFA Board Members attending the boosters meeting this week will get more info on sponsorships and fundraising.
- Would like to have an update/ discussion about getting a scoreboard for the Middle School field at next month's meeting – vendors, cost, timing, etc.
- Looking into CYFA Day at the varsity field potentially the Saturday following Homecoming – 9/29, using both fields. Potentially participate in the parade on Friday, also.
- Still looking for concession ideas, food trucks

Treasurer update via email:

- Taxes were filed through accounting firm Pilarski Sinkel, Hankes and Ledin; should be completed by 3/31/18. Jared will communicate the results as he receives them.

The next board meeting will be April 15th at 7PM at Green Mill.
