Script was being placed in for credits. Kathy needs information to continue – needs help from Mike Wa. on how to do some things. Robin B. had OYHA family (LTP equipment bag) give her check last fall and needs a check back after bag return – have verify that they actually did give check and cut one to them.
- Registrar Update – Stacy/Paul – USA Hockey numbers needed from all coaches – who is on what team for assistant coaches. Stacy still needs U10 birth certificates (all squirt level kids) – needs any new players, etc. HDC needs to submit the coaches to Stacy and their USA hockey numbers
- Girls Hockey Update – Robin – Still getting registrations at 10U – MWC girls trickling over and they are not having a team. West Bend will have a team at 8U possibly 10U. Working with Alicia Pelton-Byce (out of Madison for Girls sports initiative for equity around the state) we are 2<sup>nd</sup> largest girls program (based on last year's registration) only to Baldwin on MN. Border. Has to figure out what to do with the WAHA Grant for LTP girls - figuring 4K issue.

- Vote to approve off ice schedule and expense – It is the late for some and A and B get good times and 14U have the late off ice need to make that equitable and we have kids traveling. Have Robyn tell managers to verify the off ice
- Scheduling Update – Kate – all done all home games are on website by Donovan, away games to Robyn to distribute to managers. HDC needs to check Bantam A practice schedule early practice dates, 4 practices during the week!!! Kate has teams from other clubs asking to schedule games against certain teams needs to share that with managers.
- Referee Update – Mike Wi. – sent out referee email and only 13 responded. Very similar to last year – Mites/squirts are good, Pw/Bantam is very tough again – some help from college age over Christmas break. Need to make sure we don't have too many games for refs in one day 3 max.??
- WAHA Update – Rob – No meeting update – Talked to Tom Slocum all the seeding is the same, C teams still do not have seeding games. Need to remind managers (Robyn) that seeding games have to report by Jan 21<sup>st</sup> or earlier they can play on 21<sup>st</sup> just have to report it right away.
- Other Items
  - Fall Social – Awesome!!!!!!!!!! Good will, lots of great feedback – highest attendance in 5/6 years and made the most money – \$24K includes the soft money of 2 tickets as part of registration. Sold 10 parking spots, they left it open and got \$10k just from it.
