

PLAYSAFE PHYSICALS

PlaySafe is looking forward to providing physicals this Spring. Please pay attention to the following information for dates, times, locations, and guidelines. Please keep in mind that 100% of the money that comes from physicals for your school goes directly back toward paying for services and supplies for your athletic training needs. Thank you for participating!

We will have physical forms (the back of the HSL form) to give to the athletes when they check in.

- Athletes/Parents will register and pay the \$20.00 fee, online with credit card, ahead of time (Eventbrite registration information will be sent to schools at a later date), print a ticket from registration site, and bring their ticket with them on the appropriate date. If they cannot pay online, they may pay onsite **CASH ONLY**.
- **Schools uploading to Planet HS:**
 - Athletes must have completed all paperwork (medical history, HIPAA, Playsafe Emergency Forms) on their PlanetHS account and bring with them the following:
 - Student ID or Driver's License
 - Ticket from online Eventbrite Physical Registration **OR \$20.00 CASH ONLY**
 - Completed medical history printed from their personal PlanetHS account (uploaded information) (the doctors need this medical history in order to do a thorough physical and clearance). **If the athlete does not print this form from their account and bring it with them, we will give them a hard copy form which will need to be completed and signed before they can have their physical done.**
- **Schools not uploading to Planet HS:**
 - Athletes must have with them the following:
 - Student ID or Driver's License
 - Ticket from online Eventbrite Physical Registration **OR \$20.00 CASH ONLY**
 - Completed Medical History form (front of HSL physical form) with ALL signatures at the bottom
 - Supplied HIPAA Form with ALL signatures

- Completed PlaySafe Emergency Forms with ALL signatures
- ***Athletes who were not able to attend the first date (due to a conflict with school events)
This is a first come, first serve time slot. We will not continue to wait for athletes to show up so BE ON TIME.

Schools that are uploading to Planet HS

- We were successful last year with the uploaded information.
- The biggest problem we ran in to was that kids did not print their medical history form and HIPAA once they were uploaded
- We are trying to make this process as seamless as possible for you and for those kids who are attending Spring physicals.
- We will have availability for the athletes to stop by our station on the way out so they can upload their physical form then and there.
 - Our hope for this is that it will alleviate the problem of the physical being “lost” between the time they leave us and get home or back to you.
 - We hope to have an incentive for those who stop by and upload their physical before they leave.
- As I am sure you are aware, it will be key if you can go ahead and get your kids to go into their accounts and fill out all paperwork and get their parents set up to electronically sign as soon as possible after April 1.
- Any athlete that comes to physicals who has not uploaded onto PlanetHS **OR** their school does not participate in the PlanetHS Upload program, they will be considered a **NON Uploaded PlanetHS** athlete at that time and must have all the paperwork with them in order to have their physical done.

PLEASE MAKE SURE THAT YOU DO NOT EVER CALL BLUE RIDGE OTHOPEDICS FOR INFORMATION ABOUT PHYSICALS OR TO GET A COPY OF A PHYSICAL. THEY DO NOT HAVE ANYTHING, DIRECTLY, TO DO WITH PHYSICALS. I WILL MAKE SURE THAT YOU HAVE A HARD COPY OF EACH PHYSICAL AND THAT YOUR ATHLETIC TRAINER HAS A FLASH DRIVE WITH THOSE SAME PHYSICALS ON IT. THANK YOU.
