

Summer Competitive/Traveling Youth Baseball

For the summer months, the Fergus Falls Youth Baseball Organization offers traveling youth baseball for ages 10-19.

- Games are against surrounding community teams and schedules typically include some tournaments.
- Practices will be on weekdays and the season usually goes through late July/early August.
- The number of games for each team will typically range from 20-40 for the season with the younger age groups usually having fewer games.
- Most tournaments will be in June.
- For teams with ages 13 and up, seasons commonly conclude with district tournaments and state tournaments for teams that advance.
- The registration fees are as follows:

Registration Timing	One Family Member	Two Family Members	Three or More Family Members

- Quality jerseys and hats are provided as part of the registration fee. Pants, gloves, and shoes are not provided.
