Minor and Senior Program

- Our Minor and Senior program is typically for ages 14 thru 18/19.
- Teams for this program **are** co-ed.
- Levels for this program include:
 - **Minor** - typically ages 14 and 15 years.
 - **Senior** - typically ages 16 thru 18/19.
- Depending on your child's birth date, players who would normally be a Minor can play up to the Senior level if they prefer. See the Program and Age document for details.
- Due to the number of players, we are likely to only have 1 team at each level.
- There is no post season tournaments at this level.
- See the ***Timeline by Program*** document for a list of the major events and when they will occur.
