Growing up in Indiana John Michael was a USA development product playing for the US junior team in 2000 followed by a four year career at Michigan State where is was an All American in 02' and again in 03' After graduating MSU with a finance degree he was drafted by the Colorado Avalanche in the fifth round John Michael began his career in Colorado going on to play 836 games in the NHL for Colorado, Toronto, Carolina and finishing his career with the Boston Bruins in 2017. He also played in the 2006 Olympics and 2005 & 2010 World Championships. He and his family have decided to make the Vail Valley their home and we would be very fortunate to have him help our players/coaches and the sport we have all grown to love so much
