

Vail Mountaineers Hockey Club
Board of Directors Nomination: Recommendation Letter for Joe DeTrollo
c/o Kristi Scheidegger
P.O. Box 2591
Edwards, CO 81632

Vail Mountaineers Hockey Club Membership:

I'm writing to recommend Joe DeTrollo for a position on the Vail Mountaineers Hockey Club Board of Directors.

Joe is the parent of Squirt B Blue player Addison DeTrollo. I was fortunate to spend the past six-plus months getting to know Joe through interaction at team practices, games, team travel and volunteer opportunities.

Joe has lived and worked in the Vail Valley – with Shaw Construction – for the past 13 years. His dedication to his daughter and her love of hockey is clear; he is consistently present and always willing to lend a hand.

Joe is dedicated, hard working and committed. He is soft-spoken and thoughtful; willing to hear and consider different points of view and weigh options. He has considerable management experience and works both inside and outside of the valley, affording him a broad perspective.

When opening board positions were announced, Joe was quick to inquire about responsibilities and board organization. He is interested in representing families newer to the club hockey experience, and to advocating for all players – especially the girls in our program.

Joe offers a thoughtful, even presence, a voice of reason and the ability to assess needs and find solutions.

I believe Joe brings great perspective to the board and I encourage his interest in helping to shape the present and future of our club. I hope you'll consider Joe for a board position.

Many thanks,
Emily McCormack
