Vail Mountaineer Hockey Club  
Attn: Board of Directors

Please accept this as my self-nomination for a seat on the Vail Mountaineer Hockey Club's Board of Directors. I have interest in serving on the board as an extension of my children's interest in the sport of hockey. Our family's experience has been that the Club is the most well-run youth activity with which we have been involved. My intent is to support my children through ensuring that this experience remains true for them and the other youth in the Vail Valley.

My contribution to the board and the club would have little to do with the actual sport of hockey, but rather would focus on the organization, fundraising, networking, vision, and strategy to achieve that vision. Having spoken at length with Zack, I also have interest in supporting his vision for what he wants the club experience to feel like for the players and parents.

I have served on several boards and committees both personally and professionally in my role with Alpine Bank. Currently I am a sitting member of the Avon Special Events Committee where we oversee a mid-six-figure budget. I also Chair the Avon Grant Committee. In these roles I have assisted other youth organizations in finding available funding, and have helped to network opportunities to grow and expand those organizations. In my past role as an HOA President I was able to redirect the HOA away from financial disaster, apply vision, and deliver a comprehensive strategy to raise the overall value of the property.

I would like to attend the next several board meeting prior to the election of new members, so that I may observe the culture, identify areas where my skill set may be useful, and get a better understanding of the topics and issues the board is facing.

Until then,

Timothy Haley
