

Friday, March 9, 2018

My name is Troy Dixon, and I am running for a seat on the Vail Mountaineers Hockey Board and would like to represent the membership by upholding our club's cores and values, and seeing the program strengthen and grow for years to come.

I currently have 2 children in the program, Squirt (Claire) and Bantam level (Wyatt.) I have 6-years of experience ranging from Mini-mites to Pee-Wees, with a Level 4 coaching certification. My time on the ice as a coach, and in the stands as a parent, has allowed me to observe the club as a whole. And given the opportunity to represent you all, I would bring a balanced and fair representation of the membership of the Vail Mountaineer Hockey Club.

Connecting with the parents in the stands and the children on the ice, has allowed me to understand the needs and concerns of both athletes and parents. I feel that this will allow me to bring a balanced approach to the Board regarding any decisions that are being formed with the athletes' well-being in the forefront.

In the past I participated and helped build 2 winning floats in the July 4th parade. I also helped organize and fund-raise the Sporting Clays Event in 2016. I took great pride in leading our athletes in placing American flags at the graves of Veterans on Memorial Day. I truly believe that our club will grow and prosper with strong leadership, positive community involvement, accountability, and open communication.

Thank you,

Troy Dixon
