

My name is Blake Putnam and I would like to continue to represent the Vail Mountaineer Hockey Club on its Board of Directors. I have been on the VMHC BOD for 3.5 years and have been an active participant in a variety BOD duties including fundraising, 3v3 Tournaments, the director search, club hockey clinics and in a role as an Age Director. This is on top of all the other normal commitments of a member of the BOD. I am well aware that the VMHC is a working board and needs committed BOD members to assist in the activities of the Club. I have experience in sitting on a number of Boards in the Valley and currently am also a board member at the Vail Board of Realtors. I have also been a Head Coach for two seasons and this year I am an Assistant Coach at the Pee wee Level. My wife Laura and I have 4 children, two of whom are currently Mountaineers. Our daughter Chloe played on the U12 Girls team and my son Thomas plays on the Pee wee A Team. Next year our daughter Alexandra hopes to play Squirt Hockey. Our youngest, Caroline has decided she wants to Figure Skate for now but I have a feeling that she may turn to hockey at some time in the future. I have a vested interest in helping the Club become even stronger in the future as it appears I will have a child playing Mountaineer Hockey for years to come. I believe I am a strong candidate to continue to represent the Club.

Thank You,

Blake Putnam, Owner
