

Hello,

I am nominating Kara Woods as a board member for Vail Mountaineer Hockey. Kara has 2 skaters in the program and plays women's league hockey. Her knowledge of skating from figure skating brings her hockey awareness and skill to a new level. She helped coached my daughter's U12 team a few years ago as well as a Bantam team. On and off the ice, Kara is honest and passionate about hockey and youth development. She would be an asset to the Vail Mountaineer board.

Please consider Kara Woods for a board position.

Thank you,

Anne-Marie Desmond
