I - GENERAL RULES AND REGULATIONS

- (1) The Montana High School Association will promote, provide for and control all interschool basketball activities among the member schools for both boys and girls.
- (2) Schools will be divided into four classes for boys' and girls' basketball - Class AA, Class A, Class B and Class C.
- (3) The playing rules as authorized and published by the National Federation of State High School Associations for the current year shall be followed for all games with the following exception: for all levels of play (varsity, j.v., sophomore and frosh) in the second half only once a team has a forty (40) point lead or better against their opponent, a running clock will ensue until the end of the game even if the difference in score drops below the forty point margin. The only time the clock will be stopped will be between quarters, time outs and replacing an injured or disqualified player.
- (4) The Montana High School Association Executive Board shall establish the starting date for practice and the first allowable date when any contests may be played. No individual shall play in any Association contest until he/she has a minimum of ten (10) days of basketball practice of at least one practice session per day on ten different days (no practice permitted on Sunday), prior to the date of the first allowable game.

The initial ten (10) practices for each individual must be completed as a comprehensive, regularly scheduled team practice with the full coaching staff.

When determining what constitutes a MHS A practice that satisfies the language above in (4), the following criteria must be applied:

1. **Practice must be at least one (1) hour long.**
2. **At least one full squad (varsity team/J.V. team/C squad) and their coaching staff must be present.**
3. **The athlete must participate in the entire practice.**
4. **Practice should include the majority of drills and conditioning that are the norm for that team or squad.**
5. **A practice the day of a game does not count (unless an athlete is practicing with another squad that does not have a game that day, i.e. a varsity team member who stays home and practices with the JV team that does not have a game that day).**
6. **Warm-ups or walk-throughs with the team prior to a game does not constitute a practice.**

If a student begins his/her **initial ten (10)** days of required practices and that period of days is interrupted by sickness, injury, academic ineligibility or any other reason for a period of two weeks, then the student shall be required to practice

an additional five (5) days and in cases of sickness or injury to produce a doctor's release.

Athletes participating on teams competing in MHS A post season play, which overlaps the beginning of the next MHS A sanctioned activity starting practice date, may be credited for practices during the overlap period toward meeting the minimum practice requirement of the overlapped activity season.

- (5) Eighteen basketball games will be the maximum limit for schools in all classes. These limits include invitational tournaments but are exclusive of Association-sponsored tournaments. These game limits apply for each squad - varsity, junior varsity, sophomore, frosh etc. Should a non-varsity contest be played using a variation in the length of quarters or the number of quarters played, one of the approved variations shown on the basketball page of the MHS A website must be used. The applicable game limit interpretations are also included on the website (www.mhsa.org).

INTERPRETATIONS

1. Any basketball team that receives a forfeit(s) may be allowed to schedule and play a makeup game(s), but the team that gives the forfeit must count the forfeited game(s) as part of the season's game limit for its school, and that team will not be allowed to schedule another game in place of the forfeited game(s).

2. Definition of "squad" - An athletic squad is determined by union of "act and intent" by grouping together a number of students to play as a unit to represent the school, under the direction of a designated coach or coaches, i.e. a participant who plays in a preliminary contest cannot start in the varsity game in the same day.

- (6) The basketball season for both boys and girls officially closes with the end of the state tournament for the classification of the school concerned.
- (7) Quarter Eligibility for all classes - The Association prohibits all students of member schools from entering more than five (5) quarters of basketball in any one day [Class C-six (6) quarters; Classes A and B-sub varsity (c squad and JV players)-six (6) quarters, if suited for varsity game only five (5) quarters of eligibility]. Should a non-varsity contest be played using a variation in the length of quarters or the number of quarters played, one of the approved variations shown on the basketball page of the MHS A website must be used. The applicable game limit interpretations are also included on the website (www.mhsa.org).
- (8) The Association prohibits students of member schools from playing in a preliminary contest and then starting in the varsity game on the same day.
- (9) Schools must participate in the basketball schedule and play the majority of their scheduled games to be eligible to participate in the MHS A tournaments.
- (10) No school is required to take part in any contests or athletic events, but once entered, teams are obligated to participate in a contest or athletic event to its normal conclusion unless the contest is terminated by mutual consent of the school officials involved due to unusual weather or game conditions, or situations which could be hazardous to participants or spectators. Any coach is prohibited from unilaterally refusing to play.

If a school fails to complete contests or athletic events that they have entered, the violating school would be subject to penalties as deemed appropriate and necessary by the Executive Director.

No school is required to take part in any regular season game or tournament, but when once entered under the plan outlined, schools shall carry out their part of the program in fairness to all other schools represented. Any team taking part in regular season play is automatically entered in the first

tournament held in that district or in that division. That team shall not be allowed to withdraw from playing in such tournament without the specific approval of the Executive Director. The penalty for violation shall be as outlined under Penalties, Article VIII, Section (2).

(11) Master basketball schedules are for varsity competition only. Any deviation must be approved by the MHS Executive Director.

(12) Regular Season Breakage

a. Rim Breakage: If a sub-varsity or varsity team breaks a rim while attempting to dunk a ball in pregame, that school will be responsible for payment of the rim. If the rim is broken during the sub-varsity game or varsity game, the responsibility for payment will be that of the home team. If the home team does not have a replacement at that time, the varsity game will be rescheduled for a later date.

b. Backboard Breakage: If a sub-varsity or varsity team breaks a backboard during the pregame while attempting to dunk the ball, that school will be responsible for payment of the backboard. The team will also forfeit games scheduled for that time period. If the backboard is broken during a game, the home team will be responsible for payment and the varsity game may be suspended or rescheduled for a later date if there is no replacement backboard available.

Tournament Breakage

a. Rim Breakage: If a team breaks a rim while attempting to dunk a basketball during the pregame, that team will be responsible to pay for the replacement of the rim. If the rim is broken during the game, the cost of the replacement of the rim will be drawn from the tournament receipts unless prior arrangements have been made. If the tournament site does not have a replacement rim, the game or games will be rescheduled as soon as possible.

b. Backboard Breakage: If a team breaks a backboard while attempting to dunk a basketball during the pregame, that team will forfeit the game and be held responsible for the cost of the replacement of the backboard. If the backboard is broken during a game, the cost for the replacement of the backboard will be drawn from the tournament receipts unless prior arrangements have been made. If the tournament site does not have a replacement backboard, that game and any other scheduled to follow will be rescheduled as soon as possible.

(13) Teams are to conduct pre-game and half-time warm-up on their half of the floor only. If jogging or running is part of their warm-up drills, then it is to be confined to their half of the court to warm-up. Teams are not to run under the basket of the opposing team when entering the floor or any time during warm-ups.

(14) Regular season basketball contests (at any level of competition) will have at least a 15-minute pre-game warm-up period and when one regular season game (at any level of competition) immediately follows another on the same night and the same officials or any of the same officials work consecutive games there will be at least a 20-minute intermission between games.

(15) Controlling the Playing Court

The MHS Executive Board urges all school administrators, athletic directors and coaches to establish a policy in their school to prohibit students from rushing onto the floor at the conclusion of athletic contests. The request for this policy comes as a result of the dangers to players, officials and fans with the rushing of uncontrolled fans onto the confined area of the gymnasium floor.

(16) For MHS post-season play boys shall use the Baden Perfection Elite BX7E basketball and girls shall use the Baden Perfection Elite BX6E basketball. For regular season and post season play the ball used for all levels of play shall include the NFHS authenticating mark.

(17) For MHS regular and post-season play, a twenty-eight-foot coaching box will be used. The top of the coaching box will be marked twenty-eight feet from the baseline and shall be outlined outside the side of the court on which the scorer's and timer's table and team benches are located. The line shall be located off the court and be two (2) inches wide. The end of the coaching box will be the interior of the baseline of the court.

(18) For MHS regular and post-season play it is mandatory that the official scorer wear a black and white striped shirt and that his/her location be clearly marked by an "X" twelve (12) inches long and two (2) inches wide that shall be placed on the floor out-of-bounds directly in front of the official scorer to help substitutes and officials with the proper location of the scorer.

(19) The MHS prohibits any use and/or possession of tobacco, alcohol or other mood altering drugs during competition. Violation will cause the coach or participant to be disqualified from further participation in that event.

II - DISTRICT, DIVISION, PLAYOFF AND STATE PARTICIPATION

(1) The playing rules as authorized and published by the National Federation of State High School Associations for the current year shall be followed for all games.

(2) No all-state teams or players shall be picked or announced at the tournament site by either the Executive Board or tournament officials. This applies to district, divisional and state tournaments.

(3) It shall be mandatory for the winners of all classes' divisional tournaments to take part in the final playoff series. In the event that any such winners should refuse to take part as provided above, then such team shall forfeit its right to its respective tournament championship, trophies etc., and the next team in line shall take its place and receive all respective trophies and replace the defaulting team in the final playoff. Furthermore, the defaulting team shall be barred from all tournament participation the following year, unless excused by the Executive Board for such default.

(4) It is recommended that officials not be seen in the company of coaches, socially or otherwise, at any time during the course of the tournament.

- These rules apply for district, divisional and state tournaments.
- Special attention must be given to insure that the game officials are afforded proper protection when leaving the floor, during the movement to the dressing room area and while in the dressing room.

XI - VIDEO TAPE AT TOURNAMENTS

The MHSAs Executive Board has established the following policy for videotaping at MHSAs sponsored tournaments in basketball, volleyball and wrestling:

- No videotaping shall be conducted for commercial purposes unless previously approved by the MHSAs Executive Director.
- Schools or their representatives may video only those specific competitions in which their students participate.

XII - DETERMINATION OF TOURNAMENT SITES

- Each district and division will determine their own tournament sites and managers and are authorized to make all arrangements for the proper staging of said tournaments in accordance with the General Rules and under the MHSAs finance plan. Tournament managers cannot be a coach or an official if that coach or official is participating in the tournament.
- The determination of sites, tournament managers and arrangements for all MHSAs state tournaments will be made by the Executive Board. This determination will be made at a meeting of the Board after interested member schools or communities have been given an opportunity to submit written invitations to host an Association tournament.
- Following are some of the criteria which will be considered by the Board in making the determination of tournament sites:
 - adequate gym facilities;
 - adequate community facilities for team and spectator housing and eating;
 - reasonable assurance of financial success;
 - definite invitation showing local community support;
 - geographical rotation when feasible.
- If the Board locates a tournament in a member school's facility, an administrator of that school will usually be named tournament manager. If the state tournament is located in a

XV - TOURNAMENT FINANCE PLAN

- (1) After each district, divisional or state tournament the tournament manager shall remit to the MHSAs Executive Director a complete financial report of the tournament within fifteen (15) days following the conclusion of the event.
- (2) The Executive Board points out that the local community definitely profits from the tournaments in three ways: (a) all concessions of the tournaments are normally given to local organizations; (b) local communities profit considerably through income at hotels, motels, restaurants and stores; (c) the local school is under no expense to send its teams to the tournament.
- (3) The host school does not underwrite the expense of the tournament but is obligated to do its best to see to it that the gross receipts are such that allowable expenses are paid in full.
- (4) Pretournament or post tournament playoff games are considered part of the tournament, and therefore, all receipts and expenses of these games are part of the tournament financial report.

Allowable Tournament Expenses

If both genders commute on one bus the team competing receives mileage and per diem accordingly.
 2. For the days when the team stays overnight at the tournament site, the regular schedule of \$45.00 applies.  - f. Teams located at the tournament site will not receive any mileage or per diem.
 - g. Participating teams required to remain at the tournament site for a playoff game will be entitled to two additional

days per diem. If participating teams do not remain at the tournament site, but return home and then travel to the playoff game, they will be entitled to an additional round trip mileage and \$20.00 for 16 persons for other expenses.

h. In computing miles traveled, the shortest paved route open to travel as listed on the current official Montana Highway Map published by the Montana Department of Highways will be the mileage used.

If dues are voted, it must be understood that they are voted in addition to the annual dues of the Association. Each should elect a full complement of officers to carry out such work as may come under its jurisdiction.
- (2) While the management and general arrangements of Class B and Class C districts and all divisional tournaments are left to each district and division, all officers are cautioned to adopt such rules and regulations as are consistent and fair to all schools within the district or division.
