

2018 Virginia Area

Summer Hockey School

June 11th – June 29th

“Where the Tradition Begins”

What We Are All About!

What We Do!

Virginia Area Summer Hockey School will offer three weeks of daily skill instruction through specialized drills, small area games and controlled scrimmages. There will be goalie training during normal practice times for all sessions on Mondays from the **Iron Range Goalie Academy**. This year's camp will also offer special **Power Skating** and **Defensive Skill** sessions on Fridays. We believe our philosophy of focusing on skill development gives young players the best opportunity for future success during the off-season. **VASHS** prides itself on providing a fun atmosphere, run by energetic instructors looking to inspire area players to work hard and be their **best!**

Our Dedicated Staff!
