

SG1 Soccer joins United Soccer Clubs

Along with PDF Houston, SG1 to compete in USC league

Katy, Texas (April 10, 2018) – SG1 Soccer Club (SG1) is proud to announce the club’s acceptance into the United Soccer Clubs (USC) League beginning in the Fall of 2018. SG1 becomes the latest club addition into one of the most competitive and well organized youth soccer leagues in Texas. The USC is a fully sanctioned competitive league under US Club Soccer and the US Soccer Federation.

SG1 Technical Director, Adam Girdlestone said “We are proud of our newly established partnership with the USC, with our previous acceptance into the PDF Houston league, we are now able to offer a greater level of competition and more importantly player development. Joining USC is not only about competition but more importantly about the standards that this select league offers”.

”We are honored to welcome SG1 as a new member into the United Soccer Clubs family. We are excited to have SG1 as part of our membership. USC is a partnership of clubs who are constantly working towards raising the standards for competitive success on the field, and we are confident that with the addition of SG1 will make us another step higher in that success.” said USC President, Mr. Pat O’Toole.

SG1 Club Director, Alex Parra said, “We are honored to join the USC. As a club, we want to offer the very best in terms of organization and structure, by joining the USC we are doing just that” Parra added, “The membership of USC is a who’s who of the most competitive clubs in Texas, for us to join this illustrious group is an honor and something we have been working toward for many years. We are grateful to the board for their vote of confidence and we are also aware of the responsibility we now have to uphold the high standards of the league”.

About United Soccer Clubs: Established in 2015 the USC is a player development platform for youth soccer players in the Greater Houston, San Antonio and Austin Areas composed of elite soccer clubs. The USC holds strict standards for club participation and organization.
