Athletics in Education

2A Volleyball and Basketball – Revised NWHSAA Play-off format (proposed)

For 2018 - 2019 school year implementation

Basketball

4 Teams = 4 games -- 1 day
2 or 3 Officials for each gender

Lloydminster League X 2 representatives

Meadow Lake League (Jonas)

Beaver River League (La Loche)

- If La Loche does not have a team, then the 4th representative would come from the Lloydminster league.
- La Loche is interested in moving to the 1A category until their basketball teams become more competitive.

Volleyball

5 Teams - 5 team RR + play-off = 12 matches - 1 Day
3 Officials Boys / 3 Officials Girls

Lloydminster League X 3 representatives - Could be top 2 plus host when hosted in Lloyd which would keep the Volleyball rotation alive.

Meadow Lake League (Jonas)

Beaver River League (La Loche)

If we did this, our 1A and our 2A for juniors, play-off structures would be the same

In both cases, the Lloydminster League would have to have a league play-off to determine representatives - Like our other leagues in 1A this is a common practice.

Problem is La Loche and Jonas always have a direct entry - but the other side is they don't have the comforts of a city league to play in.
