Nia Coffey

April 17th

North Tartan Alumni and #4 WNBA Draft pick Nia Coffey stopped by to share her insight on Tuesday night with our Nike 10th EYBL team. Nia talked with players primarily for over an hour. She referenced playing with North Tartan, her college decision, practices and the “process”. Nia has received so many accolades throughout her career at Northwestern. She was a member of the youth USA team, winning Gold, and continuing her career in Dallas. Nia most recently played in Israel and will spend the next two months in Australia.

North Tartan is proudly one of the 32 ELITE teams that are scheduled to play in the NIKE ELITE YOUTH BASKETBALL league. The league will have three stops to determine the overall rankings and the club to name themselves Nike National Champion. Nike Nationals is held at the McCormick Center in downtown Chicago. The class of 2020 (10th grade) will also be critiqued throughout the summer to determine if they will be part of Nike Nationals (Chicago).
