

Strike FC Wisconsin Refund Policy

Refund Policy for all programs:

Strike FC Wisconsin is a volunteer based organization funded solely through registration fees. Teams are assembled and staff hired based upon the registrations received. Because of the method of registration (electronic) required by our affiliation with WYSA, costs are incurred by the club the instant that a player registers and pays any fee for a team, program, apparel or related club items. As such, no refunds will be issued after the team selection process is complete or July 15th the respective year of play, whichever comes first.

Partial refunds may be issued at the discretion of the Strike FC Wisconsin President or Board between the time a player registers and the time team formation occurs prior to August 1. Players that register after August 1 for a program may only be granted a partial refund of fees as noted in the "exceptions" section below. Participants in Strike FC Wisconsin programs assume the risks of changes in personal affairs, health, injury or vacation when they are unable to participate in training sessions, games, trips, programs or special events. All refunds requested prior to this deadline must be submitted in writing, via mail or email to:

Exceptions:

- If you register with Strike FC Wisconsin and we are unable to place you on an age appropriate select team, a refund will be issued, not including any late fees, tryout fees or purchased or received uniforms, spirit-wear or related apparel items.
- If you register with Strike FC Wisconsin and we are unable to place you on an age appropriate select team but are willing to be placed on an age appropriate recreational team, you will be refunded the difference between the registration fees, not including any late fees, tryout fees or purchased or received uniforms, spirit-wear or related apparel items.
- If you are placed on an age appropriate select team and accept the position, you will be given a refund only if all of the following criteria are met:

- Written refund request, mail or email, is received prior to final team formations. If the refund request is accompanied by a player transfer request, the player transfer policy will supersede this policy.
- The Strike FC Wisconsin Board approves your request.
- Any club costs already allocated to the player will be deducted from the refund.

The Strike FC Wisconsin Board reserves the right to deviate from this policy when special circumstances are presented.

Camp or Additional Program Refunds:

Strike FC Wisconsin provides for various programs through the year such as camps, clinics, evaluation or in house leagues. Generally planning of these events precedes the event by several months to ensure proper staffing and site reservations. Costs for these programs are determined by the anticipated number of participants. Refunds will only be allowed for these programs as determined by the Board. Refunds for programs, once the program has started its final planning or implementation stage will not be given. Partial refunds may be given prior to the start of a program provided that all fixed expenses of a program for site reservations, preplanned coaching or staff costs, administrative fees or other costs as may be determined are prorated and deducted. Participants in Strike FC Wisconsin programs assume the risks of changes in personal affairs, health, injury or vacation when they are unable to participate in camps, additional programs, training sessions, games, trips, programs or special events.

Timing of Refunds:

Strike FC Wisconsin is primarily a volunteer organization. As such the approval and actual issuance of refunds may vary with the workload of staff and the time of the year. In general, refunds that are granted for programs will generally be issued within 30 days of the decision of the refund. Exceptions to this are volunteer refunds that are usually issued on a monthly basis which can delay the appearance of a refund for 45- to 60 days. As an example, a volunteer refund request is made on the last day of the month but after all prior months refunds have been issued. It may take the full 30 day cycle of new requests to come in, be reviewed and then be issued including the time taken to issue the checks. Volunteer refunds for volunteer coaches, managers and related volunteer staff will generally be issued within 30 days of the end of the respective season (Late November for the fall season and late June for the Spring season)
