

HIGH SCHOOL SPORTS PHYSICALS

Centered around our in-season athletes, The CORE Institute designates two sessions each year to provide sports physicals for all athletic activities. Physical exams are not only important to make sure athletes are ready for activity but to identify any medical issues that athletes may be unaware of and make further recommendations. Our high school sports physicals include musculoskeletal screening and physician consultation. They are designed to fulfill the requirements set forth by the AIA for high school athletic participation.

What: High School Sport Physicals

When and Saturday, April 28, 2018
8:00am - 12:00pm

Where: The CORE Institute – North Phoenix
18444 N 25th Ave
Suite 210
Phoenix, AZ 85023

Saturday, May 5, 2018
8:00am - 12:00pm

The CORE Institute – Peoria
10494 W Thunderbird Blvd
Suite 102
Sun City, AZ 85351

Cost: \$25.00, includes physical health examination, height and weight, range of motion testing, blood pressure screening, pulse check, and vision screening.

The CORE Institute’s board certified sports physicians, and licensed physical therapists provide care throughout the injury process from injury prevention education, acute injury care, follow-up treatment, and cutting-edge post-surgical and non-surgical rehabilitation.

The CORE Institute prides itself on providing best-in-class patient care for all athletes. As part of the community, the student-athlete becomes an immediate member of The CORE Institute’s Student-Athlete Patient Program. In addition to receiving a low cost physical on-site, athletes have access to a Sports Hotline number and are guaranteed an appointment within two days of their injury, anytime during the year. The CORE Institute’s sports physicians understand the urgency and are committed to providing quality care, promptly.
