

COON RAPIDS ANDOVER AMERICAN LITTLE LEAGUE

Sand Creek Park, Coon Rapids, Minnesota • est. 1959

CRALL Concession Information

The CRALL Concession Stand, centrally located at the CRALL baseball fields, provides a substantial portion of our association's annual revenue. Proceeds from concession sales fund field maintenance and improvements, including the field lights. The stand was thoroughly renovated in 2015, allowing us to offer a wider menu and a cleaner workspace. The stand also contains first aid supplies, ice packs, and an AED device for emergency use. Equipment storage is located in the stand's upper level.

Concession Duty

Your team will have Concession or Grill Duty 2 or 3 times during the regular season, and possibly more during your division's tournament. (T-ball and Rookie divisions do not have a tournament.)

The Concession Stand is operated entirely by volunteers! When the stand is open, one team will be required to supply three adult volunteers. The concession schedule will be available shortly after the game schedule is ready. **Shifts will be scheduled during your team's game times.** Games will not begin until the team's volunteers have arrived.

Some teams split each shift into smaller pieces, allowing volunteers to miss only a portion of their game. The Team Parent will usually manage the team's Concession Duty.

Thank You!

The Concession Stand is a critical component of our League's success, both in providing revenue and in providing great memories for our players. Your help is what makes this possible!

Treat Tickets

- Treat Tickets are \$3 each
- Worth the same \$3 at the Concession Stand or Grill
- Treat Tickets are optional (but the players love them!)
- Most teams purchase enough tickets at the beginning of the season to give one ticket to each player after each game
- The Team Parent will usually collect money and purchase all tickets on or before Opening Day.
