

Team Colorado 14U AAA Program

The mission of Team Colorado is to provide a high performance development opportunity for the top players in Colorado to play against elite competition from around the country. The 14AAA Team Colorado team is open to girls born in 2004 and 2005 who are playing in Colorado for the 2018-19 season. "Play Ups" and players from out of state will be considered on an as needed basis.

The 14AAA program is in its fourth year of existence and is fully supported by the following six (6) youth hockey associations in CAHA: Aspen Junior Hockey, The Colorado Select, The Colorado Thunderbirds, Colorado Springs Amateur Hockey Association, Littleton Hockey Association, and the Rocky Mountain Lady Rough Riders.

The Team Colorado 14AAA team will be registered as a recreational team to allow girls to play full time with their respective National Bound Tier II teams (boys or girls) at the 14U age level.
