## Camp Frequently Asked Questions

**1. What are the dates and times of the camp?**

The camp dates are June 20<sup>th</sup>, 21<sup>st</sup>, 22<sup>nd</sup>, 27<sup>th</sup>, 28<sup>th</sup>, 29<sup>th</sup>, July 6<sup>th</sup>, 11<sup>th</sup>, 12<sup>th</sup>, 13<sup>th</sup>, 18<sup>th</sup>, 19<sup>th</sup>, 20<sup>th</sup>, 25<sup>th</sup>, 26<sup>th</sup> & 27<sup>th</sup>. The camp will consist of one hour of on ice instruction followed by 30 minutes of off-ice instruction. Start times are either 2:45 or 3:15 each day. The camp is run at the Hermantown ice rink.

**2. Who will be leading the camp?**

Camp Director **Reilly Fawcett** will lead the camp for the third consecutive year. Reilly is a former Proctor/Hermantown Mirage stand out who was fortunate to continue her playing career at the University of Bemidji State. Reilly was recently recognized nationally as student of the year in her major of Physical Education. She brings with her a vast amount of expertise, experience and knowledge. Her leadership and role modeling will leave a lasting and positive impression with all participants.

**3. What if my daughter cannot make all of the dates or has to leave early?**

It is summer and this is expected. We purposely reserved extra ice time with the anticipation that people will be busy in this summer. This way, athletes will have the opportunity to participate in both hockey and other activities they enjoy in the summer.

**4. What if we cannot pay the full registration right away?**

That is okay, you just need to let the Camp Coordinator know. Hockey is expensive and for many, you just got done paying assessments for the winter season. If you are unable to come up with the full \$275 at the time of the registration, email Reilly Fawcett at [reillyfawcett@gmail.com](mailto:reillyfawcett@gmail.com) and set up a payment schedule with her.

**5. What should my daughter bring to practice?**

She will need her full hockey gear for the on-ice drills and workout clothes for outside/dry land. After each practice the girls will go outside to work on speed, footwork, agility, stick handling, etc. They will need to wear proper shoes and work out gear. Each participant is expected to bring a stick handling ball.
