# 2018-2019 SEASON REGISTRATION

## REGISTRATION DETAILS

By registering for the 18-19 season you will be paying a non-refundable Registration Fee towards your player's tuition. As you initialed in the Online Google Contract, this fee is considered a "deposit" and applied to the tuition balance.

Account credits can not be used to pay for the Registration Fee. Cash/Check/Credit Card are accepted to pay for the Registration Fee.

CCYHL Please Note: In order to set up payment for the season, all players will be invoiced for the lowest team in their division and invoices will be updated to the correct amount if he/she makes the higher level team.

The annual \$60 NoCo Building Fee which is set aside for a capital account is included in all tuition fees.

As mentioned in the initial registration announcement we have a graduated fee increase as we approach the season to encourage earlier registration which helps us declare how many teams we will field to each league in mid-summer. So the earlier you register, the more money you save!

## USA HOCKEY MEMBERSHIP

All players are required to register with USA Hockey and pay a \$40 annual fee. Registration opens April 1 of each year and is good for the upcoming season. In addition players will pay a \$20 affiliate fee to our governing body CAHA. The total of \$60 is paid directly to USA Hockey to obtain this 18-19 season number to be placed on an official roster and be allowed on the ice.

## ASSOCIATION RAFFLE

Like last season, if you would like to opt out of the mandatory annual Association Raffle required of all players, you may pay a one-time fee. See the Online Google Contract and Season Handbook for more details, however, you will not be eligible for any winnings of the raffle prizes.

## SIBLING/GOALIE DISCOUNT

We continue to offer a sibling discount for the 18-19 season to the YOUNGER siblings. It will be a flat fee at each league. The oldest player will pay his/her respective full tuition amount and any/all younger siblings will have their discount applied no earlier than August. We truly appreciate the dedication and loyalty of our families by having their multiple children play hockey.

\$200 for CCYHL/Travel  
\$90 for CRHL/Rec  
\$40 for Under 8

We continue to also offer a goalie credit to all players within the NCYH leagues. It will be a flat fee applied no earlier than end of September.

\$150 for CCYHL/Travel  
\$75 for CRHL/Rec

## SPECIAL NOTES

Any withdrawals from the program must be requested in writing and sent to the Director of Hockey Operations.
