

## **“One Team One Dream” Summer Hockey Camp**

My focus will be to provide an environment where players will be allowed to work on and develop the skills necessary to compete in the game of hockey. Basic skills will be taught with an emphasis on the “Why” it’s done that way. There will be full group skill drills. Also, there will be station work where we will get more specific on skills and game like concepts. We will end every session with some form of a small area game so that these kids can put into action what they have either learned prior or been allowed to develop further.

Past and present Thunderhawk players will be at all ice sessions!! With celebrity players every week!!!

This hockey camp will be for boys only. GOALIES ARE HALF PRICE!!!
