

HDC Meeting Minutes

January 8th, 2018

Attendance: Neil Huewe, Kurt Knott, Cory Rupp, Tony Mannausau, Jason Brodina

Absent: Casey Reierson, Eric Monsrud

1) Girls Update: Casey Reierson absent. Rupp spoke with coaches and mixed results. Some tough games and some competitive. Neil is working on trying to find some "B" games for both the 10U and 12U. 8U is just starting their travel schedule.

2) Boys Update: Mites~ Bob reports mites and termites going good. In-house teams are all competitive. Travel schedules start soon. A few games still in process of being scheduled. Completed schedules have been sent to Elliot and approved. Bob has scheduled the different teams to play at BSU and high school games between periods.

Squirts ~ Teams are all competitive kids are working hard. Most teams are finding success when the kids work hard. There has been no in-house because the squirts have not had a consistent (if any) Wednesday practice time slots.

Peewees~ No issues reported. Huewe reported most teams are winning the games they should be.

Bantams~ after slow start the AA team really picked up their play including winning their home tournament. No issues reported from the B team.

3) Practice schedules: Discussion on practice schedules and how many practices per week. Most teams are getting 3 practices per week; we would like to get 4. However with the HS game schedule the last two years it is tough to get 4 practices per week. The Sanford Center is utilized when they get back to us. We will use the Sanford center ice as much as possible and continue to try and book more practices.

4) Shooting Room: Teams have been using the room for dry-land training. There have been reports of the room being extremely dirty with dust from construction still. Knott will ask BCA board members to have somebody clean the room. Knott will also ask the board to forward a list of approved supervisors to the BCA.

5) District Reporting: Change in district reporting. All coaches need to report to the district home games scores and fair play points. Neil has sent an email to all coaches.

Respectfully submitted: Knott
