Camp Description

The Massachusetts Player Development Program will be hosting its annual Massachusetts Select Camp this June 8-10, 2018. This camp is by invitation only and is for the players who are selected to the national or regional camp. It will include 5 hours of on ice work with some of the most decorated and talented coaches in the country. The emphasis will be on preparing the players for the upcoming national and regional camps. The weekend will include on ice and off ice testing along with an emphasis on over speed training, small area games to reinforce creativity, and a final game to conclude the weekend. It is strongly recommended that national and regional camp players attend this camp.
