Penalties/ Procedures/ Rosters

1. AAHC will be played under USA Hockey Adult playing rules. The tournament committee shall be considered the “proper authority” for any player or team official that receives a game misconduct penalty and/or match penalty in a tournament game. Any player who is assessed a Match penalty will be automatically suspended for the remainder of the tournament and all USA Hockey adult activities until a hearing can be held.
2. Game Misconduct penalties are not subject to appeal. USA Hockey rules mandate that any player who receives a Game Misconduct penalty in any game must serve the suspension during the next scheduled game of that team during the tournament. If the game misconduct penalty occurs in the last AAHC game, the Game Misconduct penalty report will be forwarded to the respective adult hockey league for discipline/suspension.
3. If a player receives a Game Misconduct or Match penalty prior to the tournament the imposed suspension does apply to tournament games.
4. Any decision made by the tournament committee will not enjoin the offender’s adult hockey league from taking further disciplinary action.
5. Per USA Hockey Adult rules, any player assessed 5 penalties in one game will be immediately ejected from that game and that game only.
6. All teams must have a minimum of 8 USA Hockey registered players from their current league team. Team may then add up to 8 USA Hockey registered players to their roster. Maximum roster size is 15 players and 1 goalie.
7. Any roster modifications after the roster deadline must be approved in writing by the tournament committee
8. Only rostered, certified, and USA Hockey registered players are allowed to play in a tournament game. The only exception may be a goalie substitution, which must be approved, at least verbally, by a member of the Tournament Committee at least 4 hours prior to game time. For example, Tier 1 goalies may not sub in on a Tier 3 team but is allowed to use a sub goalie as long as the goalie is playing in the appropriate division and the Tournament Committee approves the substitution.

9. Any team that participates in a tournament game with an illegal player will forfeit the game in which the illegal player played. A player is deemed illegal if he/she is not rostered on that team in that division, not USA Hockey registered, and/or is on suspension.
10. The Tournament Committee reserves the right to remove a player from the tournament if that player's skill level is grossly above division level.
11. A player is allowed to play on only one team. No multiple teams, even in different divisions.
12. The Tournament Committee reserves the right to eject any player that receives more than one game misconduct and/or is deemed a danger to other players.
13. All teams must participate in every game of round robin play even if they have qualified for the Championship prior to the final round robin game. If a team refuses to show up for any game they will be forfeit not only for that game, but will not be able to participate in the Championship game.
