

Coweta County Parks & Recreation
COVID GUIDELINES
Fall 2021

The below information is to be shared with all participants, volunteers, and parents within your program. In addition, please display on any informational websites or social media accounts used to share information with your organization.

1. Any participant, Volunteer, Coach, or Parent under a recommended quarantine from the Department of Public Health or a Physician or similar medical professional is not allowed to participate in Coweta County Parks & Recreation activities until the recommended isolation period expires. This includes any orders disseminated through employers or educational institutions.
2. Any participant or volunteer who is positive for COVID-19 must follow CDC guidelines which require a 10-day isolation period and a 24-hour period of no fever (measured temperature of 100.4 or greater) before returning to participate.
3. If the COVID positive participant or volunteer is in close contact with other participants (close contact defined as any individual within 6ft of the infected person for 15 minutes or more). The team must suspend activities for a period of ten (10) days.
4. We encourage all league board members, volunteers, participants, parents, spectators, and anyone involved with activities within our park system to be aware of and follow all guidance provided by the CDC.
